Subject: W. 70th Street Origin-Destination Survey

May 14th 2007

The City of Edina and the traffic consulting firm, SRF Consulting Group, will be conducting a Origin-Destination Study for traffic along West 70th Street on May 16th from approximately 4 pm to 6 pm.

Motorists traveling east bound on 70th Street will be asked to pull to the side of the road. A brief, thirty second, survey will be conducted asking individuals information on where they came from and are heading to. This information is strictly voluntary and you may choose not to participate. The information gathered will be used to better understand why motorists travel along West 70th Street.

If you have any questions please feel free to contact me.

Jack D. Sullivan, PE
Assistant City Engineer
City of Edina
